Term 4 – Week 2

We will be attending a musica viva performance and music workshops at the Goulburn Regional Conservatorium of Music on Thursday this week but we will need assistance with transport. Thank you for the return of permission notes. The transport roster is attached. We will leave school at 9.15am and return by 2.15pm. Student will need to bring recess, lunch and a drink for the day. They will wear their sports uniform as normal.

Thank you to the parents who were able to assist with transport to Breadalbane for Life Ed. last Tuesday, it is greatly appreciated. The students enjoyed their learning time with Kyle and Healthy Harold.

The Fun, Play, Learn program will return to the K-2 classroom from this Friday, 26th October at 1.45pm. The program was so successful and well received last year that we are pleased to offer it again. We have arranged a mailbox drop of the information but please spread the word to pre-school families that are new to our community.

Kindergarten Orientation will also take place this term for the 2019 Kinder students. Day 1 is not until 23rd November but if there are any new arrivals to the community we would like to be able to contact them and provide them with the relevant information.

Students and families who would like a copy of the Year 3-6 drama presentation at the TREC gathering at the Collector Hall on 28th June (Term 2) are asked to bring in a USB memory stick so that the video can be saved. It was too big to upload to dojo and we are sure that many of you would like to keep a copy of this fantastic presentation.

The Year 6 students will re-commence their fundraising activities with iceblocks each Thursday. Cost will be \$1 each.

Swim School arrangements have now been finalised. We will participate in a one-week program with Ricky Edmonds at 'A Stroke Ahead Swimming' located in Bradfordville (Goulburn). We will travel by a Culmone's bus each day. The program and bus costs will be shared with Breadalbane PS. Departure will be approx. 9.15am and we should return by 12.30pm. The cost per student will be \$30. This will be the parent share of the regular 3-way split with school and P&C. Please complete the attached permission note and return with payment, or online receipt number from POP, by Wednesday 7th November.

## PARENT RESOURCES

The 'Guide for Parents' to assist your children with mathematics, reading, grammar and writing are still available. They have been produced by the NSW Education Standards Authority. A loan register has been placed on the noticeboard in the office entry. Please write your name and the date so that we can keep track of the booklets' location. A few days per parent per book would be sufficient time so that everyone can have a look at them.

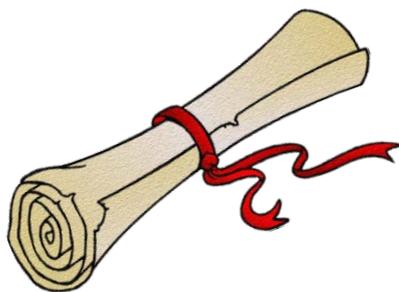

## BOOKCLUB

Issue 7 of Bookclub will be sent home with the newsletter today. Please return orders and payment, or online receipt, by Thursday 1st November.

END OF YEAR PRESENTATION NIGHT 13th DECEMBER

UNIFORM SURVEY

Further to discussions at the last P&C Meeting, Jenny has sourced black dress shorts and white summer shirts for the girls. Please come and have a look at these on the noticeboard in the office foyer. There is a survey sheet on the table – please indicate your preference.
